

PRODUCT TECHNICAL SPECIFICATION
STW: 467/2

TRADE NAME **Rokanol NL8**

CHEMICAL NAME Polyoxyethylene ether of synthetic fatty alcohol

TECHNICAL REQUIREMENTS

Appearance clear or slightly turbid liquid

Colour (Hazen units) max 70 (PN-81/C-04534/01, visual method)

pH of 1% solution 5.0÷7.0 (PN-89/C-04963, potentiometric method, at 20 °C)

Cloud point (aqueous solution), °C 78÷85 (PN-EN 1890:2000, method A)

Water content, %(m/m) max 1 (PN-ISO 760:2001, direct method solvent – methanol)

GENERAL DATA

Molecular weight approx. 510

Solubility in water good

Other solvents low aliphatic alcohols

Density at 25 °C, g/ml approx. 1.00

Odour weak, characteristic

Solidification point, °C below 10

Hydrophilic-lipophilic balance (HLB) 13.7

APPLICATION

Rokanol NL8 is used as a component of washing and cleaning agents and as an emulsifier. It can be used in oxidizing, reducing and hard water environments. It is active in cold water, in an acid and neutral bath, as well as in diluted alkalis. Rokanol NL8 can be used in a mixture with other non-ionic auxiliary agents and in mixtures with anionic and cationic surface active agents.

PACKAGING	Polyethylene drums with a capacity of 120 and 220 litres and other packaging as agreed with the customer.
STORAGE CONDITIONS	Store in a tightly closed container in a roofed area, at a temperature of up to 40°C. Guaranteed period of stability: 12 months from the date of manufacture. After the expiry of this period, the product can be used upon verifying the conformity of its parameters with the technical requirements. In case of non-conformity, application tests should be performed.
TRANSPORT	Limitations resulting from ADR, RID and IMDG regulations do not apply. Covered means of transport recommended.
HAZARD SYMBOL	Irritant (Xi).
R-PHRASES	Irritating to eyes and skin (R 36/38).
S-PHRASES	In case of contact with eyes, rinse immediately with plenty of water and seek medical advice (S 26). After contact with skin, wash immediately with plenty of water (S 28). Wear suitable gloves and eye/face protection (S 37/39).
NUMBER	STW: 467/2 Rokanol NL8
DATE	2005.10.31
